Selected experience in arbitration and satellite litigation proceedings to arbitration

- Advising **an Indonesian pulp and paper company** as respondent in a dispute related to the supply of woodchips and pulp transactions with a Thai pulp and paper company in an arbitration before Singapore International Arbitration Centre (SIAC).
- Representing **two Indonesian sister companies** as the policy holders/claimants in a dispute related to unit link insurance premium and investment benefits with an Indonesian insurance company in an arbitration before BANI.
- Representing **an Indonesian company** as the claimants in a dispute related to procurement of air-conditioners supply project with a subsidiary of Indonesian state owned telecommunication company in an arbitration before BANI.
- Advising the **Ministry of Foreign Affairs of the Republic of Indonesia** on expedited arbitration rules as Indonesian delegates' substantive input for the 70th Session of UNCITRAL Working Group II International Conference.
- Representing **an Indonesian subsidiary of a Chinese construction company** as the sub-contractor/claimant in a construction dispute related to a residential apartment project with a Chinese contractor in an arbitration before the Indonesian National Arbitration Board (BANI). Case ongoing.
- Representing **the ministry of defence of a South East Asian country** in a dispute related to the military satellite procurement project with a Liechtenstein contractor in an arbitration before the International Chamber of Commerce (ICC) Singapore.
- Representing **a national port operator** as the employer/respondent in a construction dispute with a major Indonesian construction company in an arbitration before the Indonesian National Arbitration Board (BANI).
- Representing **Hyundai Engineering & Construction Co. Ltd.** as a defendant in a civil claim before the South Jakarta District Court petitioning the annulment of construction contract with ICC arbitration clause. The jurisdiction challenge was successful, the court dismissed the claim.
- Representing **a multinational oil company** as the respondent in a dispute related to proprietary rights of deep well disposal technology before an ad-hoc arbitration under UNCITRAL Rules. The client was declared not in breach of the claimant's proprietary rights and tribunal only awarded minimum compensation sum for the claimant.
- Representing **STMicroelectronics, NV** as the defendant before the Central Jakarta District Court in a joint tort claim related to the procurement of microchips for electronic identity cards project by the Ministry of Interior of the Republic of Indonesia. The plaintiff withdrawn the claim due to Anti-Suit Injunction issued by the Singaporean courts.
- Representing **a multinational construction company** as the contractor/claimant against the Ministry of Public Works of the Republic of Indonesia in a FIDIC based construction dispute before BANI. The tribunal awarded favourable compensation sum.
- Representing **a Singaporean private equity** as a claimant against Indonesian Central Bank Pension Funds in a dispute related to share purchase agreement before BANI. Involved in major legal research and submissions drafting. The tribunal awarded favourable compensation.
